

## Industrial / Skill Development Training in Programmable Logic Controller (PLC)

|  |                                      |  |
|--|--------------------------------------|--|
|  <p>Components Inside The PLC Panel</p>  <p>NIC Institute of Technology</p> | <b>Implemented as</b>                | Industrial / Skill Development Training Partner (TP)   |
|  | <b>Year of Implemented</b>           | 2015-16  |
|  | <b>State</b>                         | Bihar  |
|  | <b>Sponsored by</b>                  | Gaya College of Engineering, Govt. of Bihar  |
|  | <b>Aim of Scheme</b>                 | Aware and growth the knowledge to describe typical components and basic concepts of a Programmable Logic Controller. Also able to state basic PLC terminology and their meanings.  |
|  | <b>Course/Trade/Job Role offered</b> | Programmable Logic Controller (PLC)  |
|  | <b>Course/Trade/Job Role under</b>   | National Skill Qualification Framework (NSQF)  |
|  | <b>Benefits</b>                      | <ul style="list-style-type: none"> <li>❖ Satisfy industrial/skill Development training</li> <li>❖ Free of cost uniform</li> <li>❖ Free of cost training aids</li> <li>❖ Certification in National level</li> <li>❖ Develop skills in technical, work ethics, communication, management and others</li> </ul> |
|  | <b>Benefited under the scheme</b>    | 16 (Male & Female) Beneficiaries benefited by the scheme   |
